

LEBANESE CUISINE

Lebanese Cuisine Lebanon's rich cultural history has had a unique impact on making the Lebanese cuisine the most popular in the Middle East region. Lebanese meals are renowned for beginning with a selection of small sharing dishes called 'Mezze' followed by a wide variety of main courses including grilled meats, fish and vegetarians. Desserts are traditionally flavoured with rose water, orange blossom and sugar syrup.

ZUFA SPECIALTIES

At Zufa we preserve the tradition by offering you the most freshly prepared authentic Lebanese dishes made from locally sourced ingredients as well as an essential blend of Lebanese herbs and spices to create a truly mouth-watering culinary experience!

OUR HOME-MADE SAJ BREAD

Do not miss out on our Saj Menu. Saj is a traditional dome shaped iron griddle used to bake bread either plain or filled with delicious fillings. To make the experience truly unique we serve the bread on a hand-cut olive wood board specially exported from Lebanon.

OUR SIZZLING DISHES

Your Zufa experience is not complete without the taste of our hot mezzes served sizzling in handmade clay pans so you can enjoy them warm till the end of your meal.
